Communiqué

1. Temporary Variation of Public Service Vehicle (Contract Bus) Licence
2. Extension of Years of Operation of Public Service Vehicle (Contract Car) and Road Service Licences

Holders of Public Service Vehicle (Contract Car), (Contract Bus) and Road Service Licences are hereby informed that the Ministry of Land Transport and Light Rail has taken the following measures in the context of Covid-19 pandemic:

a) holders of Public Service Vehicle (Contract Bus) Licence conveying tourists/school children may apply for the temporary variation of their licences to convey employees;

b) holders of Road Service Licences may operate their buses up to a maximum of 21 years subject to their vehicles being roadworthy and pending amendment to the legislation; and

c) holders of Public Service Vehicle (Contract Car) Licences may operate their contract cars up to a maximum of six (6) years instead of five (5) years.

Measures at (a) and (b) will be considered on a case-to-case basis and the NLTA shall process the applications under given terms and conditions.
